RE: FOIL request of August 19, 2011

Dear Ms. Stein,

The following is in response to your FOIL request of August 19, 2011:

1) From May 13, 2011 to the present, any documents/materials/applications submitted to the New York State Department of Environmental Conservation (DEC) in connection with the village's "deer remediation" plan, including, but not limited to, materials/documents related to the process of applying for/receiving any permits/permission/authorization from the DEC for actions related in any way to deer management.

**Any records that may be responsive to this request are inter-agency communications and therefore deniable in accordance with the terms of FOIL.**

2) From September 1, 2008 to the present, any permits/permissions/authorizations received from the DEC for actions related in any way to deer management.

**Any records that may be responsive to this request are inter-agency communications and therefore deniable in accordance with the terms of FOIL.**

Respectfully,

Mary E. Mills  
Clerk, Village of Cayuga Heights
