**The requested records constitute inter-agency communications that are deniable records in accordance with the requirements of FOIL.**

2) From January 1, 2010 to the present, any permits/permissions/authorizations received from the DEC for actions related in any way to deer management.  
(Note: Materials contained within the copies of the Final Environmental Impact Statement and the SEQRA Findings statement for the deer management plan published on the Village of Cayuga Heights web site are exempted from these requests.)

**No permits/permissions/authorizations related to deer management have been received from the DEC.**

Respectfully,
