Subject: Cayuga deer massacre
TO: Mayor Kate Supron, Village of Cayuga Heights

Your legacy, what you will be remembered for, is killing innocent deer, in a time when animal cruelty and abuse is abhorred. This is a terrible thing to do and concerned people all over America are speaking out against what you plan to perpetrate. Simply put, shame on you for your cold hearted, unenlightened, cruel attitude towards these graceful gentle animals. I suppose you wear fur too, and use sticky glue paper traps for rats and mice.
